

SEURAT-1 2nd Annual Meeting

8-9 February 2012, Lisbon, Portugal

MORNING DAY 1: PROGRESS SESSION

Moderator: Derek Knight (SEP co-chair)

Time	Topic	Speaker
08:30	Opening of the 2nd Annual Meeting	Ian Cotgreave (SEP co-chair)
08:40	Welcome and introduction by Colipa	Bertil Heerink Rob Taalman
09:00	SEURAT-1 vision and strategy	Maurice Whelan (COACH/JRC)
Reports from the 7 coordinators with emphasis on: <ul style="list-style-type: none"> - overview of the progress - highlights and challenges - suggestions for interactions 		
09:15	 Stem cells for relevant efficient extended and normalized toxicology	Marc Peschanski (INSERM)
09:45	 Hepatic microfluidic bioreactor	Catherine Verfaillie (KU Leuven)
10:15	 Detection of endpoints and biomarkers of repeated dose toxicity using in vitro systems	Jürgen Hescheler (University Hospital Cologne)
10:45	Coffee Break	
11:00	 Integrated in silico models for the prediction of human repeated dose toxicity of cosmetics to optimise safety	Mark Cronin (Liverpool John Moores University)
11:30	 Predicting long-term toxic effects using computer models based on systems characterization of organotypic cultures	Elmar Heinzle (Saarland University)
12:00	 Supporting integrated data analysis and servicing of alternative testing methods in toxicology	Barry Hardy (Douglas Connect)
12:30	 Coordination of projects on new approaches to replace current repeated dose systemic toxicity testing of cosmetics and chemicals	Bruno Cucinelli (ARTTIC)
13:00	Lunch	

SEURAT-1 2nd Annual Meeting

8-9 February 2012, Lisbon, Portugal

AFTERNOON DAY 1: SCIENTIFIC FOCUS SESSION

Time	Topic	Chair
Four parallel breakout groups		
14:00	Stem cells – characterisation and standardisation	Glyn Stacey & Susanne Bremer (SCR&Tox)
	Biokinetics – in vitro to in vivo extrapolation	Jose Zaldivar(COSMOS)
	Mode of Action – repeated dose system toxicity	Mark Cronin (COSMOS)
	Safety assessment – using alternative methods	Andrew White (Unilever)
17:00	Coffee Break	

AFTERNOON DAY 1: REPORT BACK FROM FOCUS SESSIONS

Moderator: Michael Schwarz (COACH/EKUT)

17:15	Report back from breakout group 1: Stem cells	Rapporteur 1 / Chair 1
17:30	Report back from breakout group 2: Biokinetics	Rapporteur 2 / Chair 2
17:45	Report back from breakout group 3: Mode of Action	Rapporteur 3 / Chair 3
18:00	Report back from breakout group 4: Safety Assessment	Rapporteur 4 / Chair 4
18:15	Discussion and wrap-up	Michael Schwarz (COACH)
18:30	End of plenary session Day 1	

EVENING OF DAY 1: POSTER SESSION

18:00	Each Project is invited to submit up to six posters on SEURAT-1 activities presented by young scientists (posters showing cross-cluster collaborations are especially welcome). The three best posters will receive a prize sponsored by Colipa, and the authors will be invited to write a short article on their work for inclusion in the Seurat-1 annual book volume 2.
19:30	DINNER

SEURAT-1 2nd Annual Meeting

8-9 February 2012, Lisbon, Portugal

DAY 2: OUTLOOK SESSION

Moderator: Maurice Whelan

Rapporteur: Catherine Mahony

<i>Time</i>	<i>Topic</i>	<i>Speaker</i>
09:00	Key note speech	Mel Andersen (Hamner Institute)
09:40	Panel Discussion: Approaches to safety assessment with 21st century tools Panel members give a short thought starter (10 minutes each) to stimulate the debate	Panel Members: Mel Andersen (Hamner Institute) Michael Schwarz (COACH/EKUT) George Daston (P&G) Paul Carmichael (Unilever) Bas Blaauboer (Utrecht University) Derek Knight (ECHA) Ian Cotgreave (Astrazeneca)
10:40	<i>Coffee Break</i>	
11:00	Panel Discussion open to everyone	
12:00	Take-home messages	Catherine Mahony (Colipa)
12:15	Best Poster Awards and Concluding Remarks	Derek Knight (SEP co-chair)
12:30	<i>Lunch and End of Meeting</i>	

NOTE ON CONFIDENTIALITY

Considering that some of the meeting attendants or guest speakers have not signed a non-disclosure agreement, it is strongly advised that the presentations and posters do not divulge any confidential information.
